With a Partner
Who am I? Game
Work in pairs. Student A chooses an animal from the picture. Student B asks yes/no questions about where it is and what it is doing to guess which animal it is. If they are correct, Student B gets one point. Then Student B chooses an animal, and Student A guesses.

Example:
Student A: *OK. I know.*
Student B: *Is the animal eating?*
Student A: *No, it isn't.*
Student B: *Is it in the bottom right of the picture?*
Student A: *No, it isn't.*
Student B: *Is it in the barn?*
Student A: *No, it isn't.*
Student B: *Is it jumping?*
Student A: *Yes, it is.*
Student B: *Is it a rabbit?*
Student A: *Yes, it is.*
