### THE WORLD OF WILDWOOD\*

In Wildwood, all the animals can talk. They live together, work together, make friends and have fun together. But everything isn't perfect. Animals have problems just like people. Sometimes friends **get angry**<sup>1</sup> with each other and **fight**<sup>2</sup>. Sometimes children don't listen to their parents – and sometimes parents don't listen to their children. And there are some people in this world, too. They live with the animals. Do you think their lives are the same as yours?

IT'S SO BEAUTIFUL!  
LAST TIME IT WAS A WORLD  
WITH NO OUTSIDE. THIS TIME IT'S  
A WORLD WITH NO INSIDE, ONLY  
BEAUTIFUL TREES, GRASS, MOUNTAINS,  
RIVERS – AND LOTS OF  
TALKING ANIMALS!

### TASK WHAT'S THE PROBLEM?

Match the animals to the problems they might have in Wildwood.

- |           |   |
|-----------|---|
| 1 sheep   | A My friends don't want to visit me. They don't want to <b>get wet</b> <sup>3</sup> .                                       |
| 2 tiger   | B It's too hot in the summer, and I can't <b>take off</b> <sup>4</sup> my sweater.  |
| 3 monkey  | C My <b>neck</b> <sup>5</sup> <b>hurts</b> <sup>6</sup> . My friends are too short and I have to look down to talk to them. |
| 4 giraffe | D My food can talk to me. I need <b>earplugs</b> <sup>7</sup> to eat lunch.   |
| 5 duck    | E I can't sleep because the birds are always singing near my bed.   |
