GAME TASKS  
&  
TIPS FOR TEACHERS  
IN TF-ACTIVITY TIPS

"INSIDE THIS ROOM IS MY FAVOURITE INVENTION: THE IMPOSSIBLE PORTAL. IT'S A DOOR TO ANOTHER WORLD. WHEN YOU OPEN IT AND GO THROUGH THE DOOR, YOU MIGHT BE IN A WORLD THAT ALWAYS HAS RAINBOWS<sup>10</sup> IN THE SKY, OR A WORLD WITH ROBOTS EVERYWHERE, OR EVEN A WORLD MADE OF CHOCOLATE. TODAY WE TEST THE IMPOSSIBLE PORTAL. AND I WANT YOU TO HELP ME."

## THE ADVENTURE<sup>11</sup> BEGINS...

The Impossible Portal is a game you can play all year. With every RR magazine, your teacher gets a new **mission**<sup>12</sup>. Get ready to visit new worlds, meet interesting **creatures**<sup>13</sup>, **solve**<sup>14</sup> puzzles, and help people.

This month, you will make your **characters**<sup>15</sup>. You can make them just like you, or you can make them someone different. Do you want your character to be a boy or a girl? Or someone who's not a boy or a girl? Or will your character be an animal? Or a monster? Your teacher has a Character Sheet for you. You can draw a picture of your character on it.

Now get ready to go into the Impossible Portal and start your adventure.

### WELCOME TO SCI-LABS

Today, your class is visiting a **science lab**<sup>3</sup>. You open the front door and go inside. A girl is waiting for you.

You **follow**<sup>7</sup> Susan and look around the lab. You see a robot that brushes your teeth. There's a robot that can get your ball when you **throw**<sup>8</sup> it too far. And there's another robot that helps you get ready for school in the morning.

Susan asks everyone to come close to her so that she can tell you all a big **secret**<sup>9</sup>.

"HELLO! WELCOME TO SCI-LABS. MY NAME IS SUSAN SCIENCE. I'M 15 YEARS OLD. I'M AN **INVENTOR**<sup>4</sup>. I STUDY SCIENCE AND **TECHNOLOGY**<sup>5</sup> AND MAKE NEW THINGS. I'M EXCITED TO SHOW YOU SOME OF MY **INVENTIONS**<sup>6</sup>."
